## Objective

Become a full-time employee for a design practice that specializes in User Experience and Web Design.

## Design Experience

### Freelance Designer, San Francisco, Current

Working with various clients to put together executive reports, complex infographics, web design and programming. Manage multiple project timelines and hire additional designers if needed.

### Melanie Doherty Design, San Francisco, Jan, 2012 - June, 2013

Worked my way from the position of intern to full-time designer for a boutique design firm. Utilized critical problem-solving skills in formulating design concepts and executing production for both web and print. Conducted client meetings, assembled comps, programmed websites, produced motion graphics and set volumes of type. Showed particular aptitude for creating meaningful charts and graphs for international social change organizations.

### La Casa de Las Madres, San Francisco, Ongoing

Volunteer project. Design production for the organization's quarterly newsletter "Our Voice." Creation of their marketing and brochure materials for new programs.

## Work Experience

### Northern California Service League, San Francisco, 2005—2008
